Scrap Collector: Environmentalists criticize 'narrow' G20 marine plastics goal

Plus: Pacific Island nation to enact world's first disposable diaper ban, and waste giant Biffa convicted of exporting household trash to China.

Advanced Disposal shareholders approve sale to Waste Management

The company also agreed to add new information to SEC filings in response to multiple lawsuits that were attempting to delay or end the deal.

California to require data reporting on recycling and composting

This push for more accurate data gathering will help the state track material flows, better estimate recycling and composting, and improve operational efficiencies.
